INTRODUCTION

This booklet provides a list of Troy Medicare (HMO)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Troy Medicare (HMO)'s formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Troy Medicare (HMO) only if they are filled at a network pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in the Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/15/2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on list, but your costs for drugs is less at a preferred pharmacy. Preferred pharmacies are listed as "Preferred" in this booklet to distinguish them from other pharmacies in our network that offer standard cost sharing.

If you have questions about any of the above, please see the front and back cover pages of this directory for information on how to contact us.

Troy Medicare (HMO)'s network pharmacies are first listed in this directory by type of pharmacy (Retail, Chain, Mail Order, Long-Term Care and Home Infusion) and are further divided, where needed, by state, county, city, and zip code. To locate a retail network pharmacy nearest to your home, go to the retail pharmacy section and then find your state, county, city, and zip code. To locate a Home Infusion or Long-Term Care network pharmacy in your area, go to their respective sections and then find your state. Or, you can visit our website at www.troymedicare.com or call Member Services at **1-888-494-TROY (8769)**; TTY users, dial 711. We are available Monday through Friday from 8:00 am to 8:00 pm EST.
