

Troy Medicare (HMO) Vision Benefit

Troy Medicare will reimburse you \$50 towards your annual eye exam and \$100 towards eyewear.

You can go to your current eye doctor (optometrist) or an eye doctor of your choice for an exam. Once you receive an exam, if the optometrist is willing to bill us, we will accept their claim and pay \$50 towards the eye exam. If the optometrist is not willing to bill us, just send us a copy of your bill and we will reimburse you \$50 for the exam. Same with eyewear. If you need glasses or contacts, we will either reimburse the eyewear provider or you in the same way.

This benefit is per year and applies to eye exams or eye wear purchases made from January 1, 2020 through December 31, 2020.

Troy Medicare is an HMO plan with a Medicare Contract. Enrollment in Troy Medicare depends on contract renewal. Troy complies with Federal civil rights law and does not discriminate based on race, color, national origin, age, disability, or sex.
